**2006 AT&T CLASSIC TICKETS
MAKE GREAT HOLIDAY GIFTS**

Proceeds from Champions Golf Tournament to Benefit Local Charities

SANTA CLARITA, Calif. - Golf fans in Southern California can add a new item to this year's holiday gift wish list as tickets to the 2006 AT&T Classic are now on sale with proceeds to benefit a number of charities including the Henry Mayo Newhall Memorial Hospital Foundation. The AT&T Classic will return to the highly acclaimed Valencia Country Club in Santa Clarita on March 6-12, 2006, according to Brian Fitzgerald, AT&T Classic executive director.

"Attending a PGA event is the ultimate gift for any golf fan," said Fitzgerald. "It's an opportunity to see some of their favorite golf legends up close and personal, and at the same time, make a significant contribution to local charities."

Tickets are available for purchase through the Henry Mayo Newhall Memorial Hospital Foundation at 661-253-8082 as well as via the Los Angeles County Junior Golf Foundation at 213-738-2972. Also, the tournament is inviting additional charities and non-profit organizations to join the "Charity Partners" program, which provide organizations the opportunity to use the AT&T Classic to generate funds through the sale of tickets and corporate hospitality. Contact the AT&T Classic at 661-260-1897 for information surrounding charity involvement.

The AT&T Classic will enter its seventeenth year in 2006 and feature the top golfers on the Champions Tour. Previous players include Des Smyth (2005 winner), Gil Morgan (2004 winner), Tom Purtzer (2003 winner), Tom Kite (2002 winner), Raymond Floyd, and Ben Crenshaw, Curtis Strange and Fuzzy Zoeller. Since its inception in 1990, the tournament has resided in various areas of Los Angeles, including Rancho Park Golf Course and Wilshire Country Club, before settling in Valencia in 2001.

For more information, or to schedule an interview with an AT&T Classic spokesperson, please contact Formula at 310-578-7050.
